Welcome to the Summit Rise Apartments!

The Summit Rise Apartments, one of Akron's newest premier luxury apartment communities, is located in the heart of Akron's Market Street District. Incredible parks, breathtaking views, newly constructed low maintenance suites, great neighbors, and a friendly on-site staff, are a few of the reasons why our tenants have called Summit Rise "a great place to call home."

Conveniently located at I-77 and Route 18 in beautiful Copley Township, Summit Rise tenants have access to fast food, fine dining, shopping, and entertainment. Peacefully tucked away on the hillside, it's hard to believe all this is only seconds away!

All of our suites are equipped with refrigerators, stoves, microwaves, dishwashers, garbage disposals, washer/dryers, breakfast counters, and balconies with amazing views. Our fourth level suites boast beautiful vaulted ceilings that only add to our already spacious living space. Also enjoy newer carpeting, neutral colors, window coverings, spacious walk-in closets, central air, and ceiling fans.

Perfect for the fitness buff, Summit Rise offers its tenants access to an outdoor fitness pool and hot tub. Or, avid gym goers can take in some cardio in our private fitness facility. In our park-like setting, tenants can peacefully take in a book on one of our numerous benches, grill out an afternoon lunch, or take their dog for a stroll in our courtyard. You'll be amazed how much you'll feel right at home!
